

# WHAT'S YOUR PASSION?

Ours includes working on notable projects, helping our communities, and advancement opportunities

## Why Join CHA?

- Exciting, diverse projects
- Work side by side with experts in the field
- Be part of a team's efforts that shape our aspiration statement of responsibly improving the world we live in
- Professional and personal growth opportunities including career paths
- Training and continuing education
- Rewards and recognition
- Paid time off
- Medical, dental, vision, and other benefits including 401(k)

CHA also has an extensive Summer Internship Program that is geared towards students going into their junior and senior year. Our interns have great opportunities to participate in learning experiences for development and skill improvement. Some opportunities include project site visits, performance of true entry-level duties, teamwork, research project presentations and more. The CHA Summer Internship Program is a fantastic opportunity for students to be considered for full-time employment post-graduation.

## Committed to Health & Safety

The health and safety of our employees is a top priority at CHA and is central to our aspiration of *responsibly improving the world we live in.*

## We are seeking entry level talent across all of our markets

### Common Positions Include:

Entry Level Engineer  
Engineering Designer/Technician  
BIM Coordinator  
Survey Technician  
GIS Technician  
Landscape Architect  
Scientist  
Construction Inspector  
Construction Assistant Project Manager
